D. ELIGIBILITY

Only currently funded legal training projects; the California District Attorney Association (CDAA) and the California Public Defenders Association (CPDA), may submit applications for continuation of funding.

E. FUNDS

Cal EMA anticipates that a total of \$792,000 in State Special Funds will be allocated for this program. Funding for subsequent years is subject to continued appropriation in the state budget and satisfactory performance in meeting program goals. Participants responding to this application must budget for a twelve (12) month grant period, beginning July 1, 2010 and ending June 30, 2011. There is no match for the program, and funds are allocated on a 3 to 5 ratio (*37.5 percent for Public Defense and 62.5 percent for Prosecution*). Funds are used to provide a statewide program of training, education and research for prosecutors and public defenders. The proposed funds for the Legal Training (LT) Program in Fiscal year 2010/11 are as follows:

Total Available: Local Public Prosecutor/Public Defender Fund	\$792,000
The California District Attorney Association will receive:	\$495,000
The California Public Defenders Association	\$297,000

F. PROGRAM INFORMATION

The Legal Training Program funds two projects (CDAA and CPDA) to provide a statewide program of training, education, and research for prosecutors and public defenders. These two projects offer an array of training seminars on emerging issues qualifying for the State Bar of California's Minimum Continuing Legal Education (MCLE) requirements.

The timeline must highlight anticipated levels of achievement in particular intervals throughout the grant award period. Describe the staffing required to carry out the grant objectives and activities as supported by the proposed budget.

C. PROJECT BUDGET

The purpose of the project budget is to demonstrate how the applicant will implement the plan with the funds available through this program. The budget is the basis for management, fiscal review, and audit. Project costs must be directly related to the objectives and activities of the project. The budget must cover the entire grant period. In the budget, include **only** those items covered by grant funds, including match funds when applicable. Projects may supplement grant funds with funds from other sources. Budgets are subject to Cal EMA modifications and approval.

Cal EMA requires the applicant to develop a **line item** budget which will enable the project to meet the objectives and requirements of the program and ensure the successful and cost effective implementation of the project. The applicant should prepare a realistic and prudent budget avoiding

unnecessary or unusual expenditures which detract from the accomplishment of the objectives and activities of the project.

Note: The following information is provided to assist in the preparation of the budget:

- Strict adherence to required and prohibited items is expected.
- Where the applicant does not budget for a required time, the applicant assumes responsibility.
- Failure of the applicant to include required budget items does not eliminate responsibility to comply with those requirements during the implementation of the project.

The applicant should refer to the *Recipient Handbook* for additional information concerning Cal EMA budget policy or to determine if specific proposed expenses are allowable. The *Recipient Handbook* is accessible on our website at www.CalEMA.ca.gov. Look on the right side of the Cal EMA homepage under “Quick links” for the 2009 *Criminal Justice Programs Recipient Handbook* or scroll over the “Grant Programs” tab, select “Grant Applications & Proposals (RFAs/RFPs),” and then look under the “Related Links” section for “Recipient Handbooks”. Should you have additional budget questions, contact the person listed in Part I, Section B.

Budget Narrative

The applicant is required to submit a narrative with the project budget. The narrative must be typed and placed in the application preceding the budget pages, describing:

- how the project's proposed budget supports the Program's objectives and activities;
- how funds are allocated to minimize administrative costs and support direct services;
- the duties of project-funded staff, including qualifications or education level necessary for the job assignment (this does not take the place of the brief justification required in the line item budget);
- how project-funded staff duties and time commitments support the proposed objectives and activities;
- proposed staff commitment/percentage of time to other efforts, in addition to time allocated to this project;
- the necessity for subcontracts and unusual expenditures; and
- The mid-year salary range adjustments.

Specific Budget Categories

In Part IV of this RFA, or on our website, you can access Excel spreadsheets for each of the following three budget categories:

1. Personal Services – Salaries/Employee Benefits (Cal EMA 2-106a) (formerly OES A303a)
 - A. Salaries

Personal services include services performed by project staff directly employed by the applicant and must be identified by position and percentage of salaries. They may be salaried or hourly, full-time or part-time positions. Sick leave, vacation, holidays, overtime, and shift differentials must also be budgeted as a part of salaries. If the applicant's personnel have accrued sick leave or vacation time prior to the approval of grant funding, they may not take time off using project funds. Salaries for staff not

directly employed by the applicant must be shown as participating staff (see *Recipient Handbook*, Section 4500) in the Operating Expenses Category. Consultant services remain under Operating Expenses (refer to Part II, Section C.2.b. - Operating Expenses - paragraph two.)

B. Benefits

Employee benefits must be identified by type and percentage of salaries. The applicant may use fixed percentages of salaries to calculate benefits. Budgeted benefits cannot exceed those already established by the applicant.

Employer contributions or expenses for social security, employee life and health insurance plans, unemployment insurance, and/or pension plans are allowable budget items. Benefits, such as uniforms or California Bar Association dues are allowable budget items if negotiated as a part of an employee benefit package.

A line item is required for each different position/classification, but not for each individual employee. If several people will be employed full-time or part-time in the same position/classification, provide the number of full-time equivalents (e.g., three half-time clerical personnel should be itemized as 1.5 clerical positions).

2. Operating Expenses (Cal EMA 2-106b) (formerly OES A303b)

Operating expenses are defined as necessary expenditures other than personal salaries, benefits and equipment. Such expenses may include specific items directly charged to the project, and in some cases, when permitted by the funding source, an indirect cost allowance. The expenses must be grant-related (i.e., to further the program objectives as defined in the grant award) and be encumbered during the grant period.

The following items fall within this category: consultant services such as subcontractors, participating staff who are not employed by the applicant, travel, office supplies, training materials, research forms, equipment maintenance, software equipment rental/lease, telephone, postage, printing, facility rental, vehicle maintenance, answering service fees and other consumable items. Furniture and office equipment with an acquisition cost of less than \$5000 (including tax, installation, and freight) and/or with a useful life of less than one year fall within this category. Otherwise, these fall under equipment expenses.

Salaries for staff not directly employed by the applicant must be shown as consultant and/or participating staff costs (whichever is applicable per *Recipient Handbook* Sections 3710 and 4500), under the Operating Expenses category. These costs must be supported by an Operational Agreement (OA), which must be kept on file by the recipient and made available for review during a Cal EMA site visit, a monitoring visit, or an audit. In the case of grants being passed through a recipient to be operated by another agency, the staff from the second agency will be shown in the Operating Expenses Category.

Budget for anticipated training related to the project. The applicant must include sufficient per diem and travel allocations for person(s) to attend required Cal EMA training conferences or workshops.

3. Equipment (Cal EMA 2-106c) (formerly OES A303c)

Equipment is defined as nonexpendable tangible personal property having a useful life of more than one year and an acquisition cost of \$5000 or more per unit (including tax, installation, and freight).

A line item is required for different types of equipment, but not for each specific piece of equipment (e.g., three laser jet printers must be one line item, not three).

NOTE: The left column of each budget category on the Spreadsheet requires line item detail including the calculation and justification for the expense. Enter the **whole dollar amount only** (no cents) on each line item and the match amount (if applicable) in the correct column of the Budget Category form. You may add extra rows if necessary. The spreadsheets automatically calculate the subtotal at the end of each budget category and provide the total of the three spreadsheets at the bottom of the Equipment page. The total of the budget including each funding source and/or match amount must correspond to the amount of the Total Project Cost (Block 10G) on the Grant Award Face Sheet.

D. APPLICATION APPENDIX

The application appendix provides Cal EMA with additional information from the applicant to support components of the application. The following must be included:

- **Organizational Chart:**
The Organizational Chart should clearly depict the structure of the applicant organization and the specific unit within the organization responsible for the implementation of the project. This chart should also depict supporting units within the organization (e.g., the Accounting Unit) and the lines of authority within the organization. Job titles on the Organizational Chart must match those in the Budget and Budget Narrative.
- Project Summary (Cal EMA 2-150)
- Noncompetitive Bid Request (Cal EMA 2-156) [if applicable]
- Project Service Area Information (Cal EMA 2-154)
- Computer and Automated Systems Purchase Justification Guidelines (Cal EMA 2-157) [if applicable]

LEGAL TRAINING PROGRAM

PART III – POLICIES AND PROCEDURES

NOTE: The applicant is strongly encouraged to review the following sections before preparing the application.

- A. FINALIZING THE GRANT AWARD AGREEMENT
 - B. ADMINISTRATIVE REQUIREMENTS
 - C. BUDGET POLICY
-

A. FINALIZING THE GRANT AWARD AGREEMENT

1. Standard Project Funding Authority

Allocation of funds is contingent on the enactment of the State Budget. Cal EMA does not have the authority to disburse funds until the budget is passed and the Grant Award Agreement is fully executed. Expenditures incurred prior to authorization are made at the project's own risk and may be disallowed. Cal EMA employees are not able to authorize an applicant to incur expenses or financial obligations prior to the execution of a Grant Award Agreement. However, once the Grant Award Agreement is finalized the Grant Recipient may claim reimbursement for expenses incurred on, or subsequent to, the start of the Grant Award period.

If, during the term of the grant award, the state and/or federal funds appropriated for the purposes of the grant award are reduced or eliminated by the California Legislature or the United States Government, or in the event revenues are not collected at the level appropriated, Cal EMA may immediately terminate or reduce the grant award by written notice to the recipient. However, no such termination or reduction shall apply to allowable costs already incurred by the recipient to the extent state or federal funds are available for payment of such costs.

Cal EMA Grant Award Agreements are subject to applicable restrictions, limitations, or conditions enacted by the California Legislature and/or the United States Government, subsequent to execution of the Grant Award Agreement.

2. Processing Grant Awards

a. Grant Award Conditions

Cal EMA may add grant award conditions to the Grant Award Agreement prior to or after funding. If conditions are added, these will be discussed with the applicant and a copy of the conditions will be sent to the grant recipient when the conditions are made part of the Grant Award Agreement. Grant award conditions may include requirements for sole source justification, a computer feasibility study, or other requirements deemed necessary by Cal EMA.

b. Grant Award Agreement

A copy of the executed Grant Award Agreement and pertinent attachments will be sent to the Project Director. The applicant is not authorized to incur costs against the grant until a copy of the fully executed Grant Award Agreement is received. When the executed grant is received a Report of Expenditures and Request for Funds (Cal EMA 2-201) may be submitted for reimbursement.

c. Grant Award Amounts

When the amount of funds available is limited, Cal EMA may reduce the amount of the grant award from the amount requested by the applicant. In addition, Cal EMA reserves the right to negotiate budgetary changes with the applicant prior to executing the Grant Award Agreement. If either of these actions is required, Cal EMA will notify the applicant prior to executing the Grant Award Agreement.

B. ADMINISTRATIVE REQUIREMENTS

The following requirements apply to projects selected for funding and are explained below for the recipient's planning purposes.

1. The *Recipient Handbook* (RH)

The *Recipient Handbook* is accessible on our website at www.CalEMA.ca.gov. Look on the right side of the Cal EMA homepage under 'Quick links' for the 2009 *Criminal Justice Programs Recipient Handbook* or scroll over the "Grant Programs" tab, select "Grant Applications & Proposals (RFAs/RFPs)," and then look under the "Related Links" section for "*Recipient Handbooks*". The *Recipient Handbook* contains administrative information and requirements necessary to implement the project. Recipients must administer their grants in accordance with the *Recipient Handbook* requirements. Failure to comply with these requirements can result in the withholding or termination of the grant award.

2. Internet Access (RH 11500)

Funded projects are required to maintain Internet access with an established e-mail address. Grant funds may be used for this purpose unless specifically prohibited by the RFA instructions.

3. Progress Reports and Data Collection (RH 10100)

Funded projects are required to participate in data collection and to submit progress reports required by the program. Projects are required to keep accurate records to document the information reported in the progress reports. The records must be kept by the project for a period of three years. During site/monitoring visits, Cal EMA will review these records for accuracy and compare them with the reported data submitted on the progress reports.

4. Monthly/Quarterly Report of Expenditures/Request for Funds (RH 6300)

Community-based organizations (CBOs) shall submit a monthly Report of Expenditures and Request for Funds (Cal EMA 2-201) unless they request a quarterly reporting period. Government and education agencies receiving funds will be required to report on a quarterly basis. This form is due within 30 calendar days of the end of the reporting period and must be submitted whether or not the project has incurred expenses. Delays in submitting the form Cal EMA 2-201 will result in the withholding of funds and may result in the recommendation to Cal EMA's Executive Secretary for termination of the grant award.

5. Technical Assistance/Site Visits (RH 10300)

Funded projects are assigned a Cal EMA program specialist to oversee the progress of the project in achieving its goals, objectives and compliance with the Grant Award Agreement. Program specialists are available to assist the recipient in the successful implementation of the project and in meeting the administrative requirements of the Grant Award Agreement. New projects should

expect a site visit from the assigned program specialist within the first six months of the grant period. Follow-up site visits will be conducted periodically throughout the life of the grant. Projects may request a site visit to obtain technical assistance.

6. Monitoring Requirements (*RH 10400*)

A monitoring visit is an onsite assessment by staff to determine if the project is in compliance with the terms of the program, the Grant Award Agreement, the Program Guidelines, the RFA/RFP, and the Recipient Handbook. Projects will be monitored on a random or as-needed basis.

7. Audit Requirements (*RH 8100*)

To safeguard Cal EMA assets and to ensure that all funds are accounted for, Cal EMA requires that organizations receiving Cal EMA grant award(s) be audited in accordance with Recipient Handbook section 8100.

8. Source Documentation (*RH 10111*)

Recipients will be required to maintain source documentation to support claimed expenditures and project accomplishments. Source documentation is defined as records used to validate project activities and achievements pertaining to the objectives outlined in the Grant Award Agreement. Recipients are to retain source documentation for progress reports on a quarterly basis, regardless of submission requirements. Requirements and definitions for program specific source documentation are delineated in the RFA instructions. Recipients will be required to have written job descriptions on file for positions funded by Cal EMA detailing specific grant-related activities to achieve project objectives.

9. Bonding Requirements (*RH 2160*)

Private community-based organizations and American Indian organizations are required to obtain and send to Cal EMA a copy of a blanket fidelity bond or equivalent insurance contract applicable to officials and employees of Cal EMA-funded projects within 60 days of the signed Grant Award Agreement. Failure to comply with this requirement may result in the withholding of grant funds or termination of the Grant Award Agreement. The beneficiary named on the bond or an endorsement must include the "State of California, California Emergency Management Agency" and include the Grant Award number for identification purposes.

The time period covered by the bond must include the effective date and total time period of the grant, including extensions. The bond must be in an amount equal to 50 percent (50%) of the total grant award and may have a deductible in an amount not to exceed one percent (1%) of the bond.

A bond is not required of a recipient sponsored by units of government. CBOs sponsored by units of government may submit documentation indicating this in lieu of the bond or insurance contract, unless specifically required terms of the program or grant award conditions.

10. Copyrights, Rights in Data, and Patents (*RH 5300-5400*)

Cal EMA owns rights of and reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish, and use, in whole or in part, material produced by activities supported by a Grant Award Agreement. These ownership rights are detailed in the Recipient Handbook.

C. BUDGET POLICY

This document summarizes information on Cal EMA Budget Policy contained in the *Recipient Handbook*. Additional information may be obtained by accessing the Recipient Handbook at www.CalEMA.ca.gov. Look on the right side of the Cal EMA homepage under “Quick links” for the 2009 *Criminal Justice Programs Recipient Handbook*, or scroll over the “Grant Programs” tab, select “Grant Applications & Proposals (RFAs/RFPs),” and then look under the “Related Links” section for “Recipient Handbooks”.

1. Supplanting Prohibited (RH 1330)

Grant funds must be used to supplement existing funds for program activities and *not replace* funds appropriated for the same purpose. If selected for funding, a written certification must be provided to Cal EMA indicating grant funds will not be used to supplant existing funds. Potential supplanting will be the subject of application review, post-award monitoring, and audit. The rules on supplanting are found in Section 1330 of the *Recipient Handbook*.

2. Project Income (RH 6610)

Project income, such as client fees and fees for services provided by the recipient (i.e., training, presentations, etc.), asset forfeitures, profits from the sale of project products, and conference proceeds as the result of a direct trade of time or products for money must be used to offset or augment the grant, unless otherwise specified in the RFA instructions. Project income cannot be used as matching funds, unless otherwise specified in the RFA instructions.

3. Methods of Contracting and/or Procurement (RH 3400)

A competitive bid process is required to purchase equipment or consultant services with grant funds. Noncompetitive bid contracts are disfavored. Noncompetitive bid request approval by Cal EMA program staff is required prior to the purchase of equipment in excess of \$5,000, or to hire a specific consultant charging over \$5,000. Local units of government may use their approved procurement policy except for contracts over \$50,000 which require prior Cal EMA approval. For organizations without a written procurement policy, a competitive bid process involves determining the specifications for the items needed and obtaining at least three bids from different vendors. Whenever a specific individual/organization name is identified in the project budget, a narrative describing the competitive bid process or a sole-source procurement (noncompetitive bid) request will be required. Cal EMA will provide assistance in submitting a noncompetitive bid request if the proposal is selected for funding and if Cal EMA determines it is in the best interest of the project. These procedures do not apply to funds shared with participating agencies under the terms of an Operational Agreement (see Section 4500, *Recipient Handbook*).

4. Travel Policies (RH 2236)

The following is Cal EMA’s current travel policy:

a. Travel and Per Diem (RH 2236)

The applicant may prepare the budget using its own travel policy or the state travel policy according to the following guidelines. Travel reimbursement will only be allowed based on actual costs.

1) Units of Government

Units of government may use their own written travel policy or the state policy.

2) Community-Based Organizations (CBOs)

A community-based organization may use the state travel policy or the applicant's written policy up to the maximum rates allowed by the state travel policy.

b. State Travel and Per Diem Policy (*RH 2236.2*)

Use the following state travel policy for budgeting travel expenses:

1) Out-of-State Travel

Out-of-state travel is restricted and only allowed in exceptional situations. Requests for approval for out-of-state travel must be submitted for Cal EMA approval.

2) Meals and Incidentals

a) Breakfast \$6.00

Breakfast may be claimed when travel commences at or prior to 6:00 a.m. Breakfast may be claimed on the last fractional day of a trip of more than 24 hours if travel terminates at or after 8:00 a.m.

b) Lunch \$10.00

Lunch may not be claimed for travel less than 24 hours. Lunch may be claimed if the trip begins at or before 11:00 a.m. and may be claimed on the last fractional day of a trip of more than 24 hours if the travel terminates at or after 2:00 p.m.

c) Dinner \$18.00

Dinner may be claimed if the trip begins at or before 5:00 p.m. Dinner may be claimed when travel terminates at or after 7:00 p.m., whether on a one-day trip or on the last day of a trip of more than 24 hours.

d) Incidentals \$6.00

Incidentals may be claimed for trips of 24 hours or more.

e) Total Per Diem

The maximum is \$40.00 for a 24-hour period.

3) Lodging

4) Special Lodging Rates

The maximum allowed lodging rate in Los Angeles and San Diego counties is \$110.00, plus applicable taxes. The maximum for Alameda, San Francisco, San Mateo, and Santa Clara counties is \$140.00, plus applicable taxes.

5) Mileage

When a privately owned vehicle is utilized on project-related business, a maximum of 50 cents per mile is allowed, unless a higher rate is justified. Documentation justifying a higher rate must be on file and available for audit, but should not be submitted with the application.

6) Other

Taxi, airport shuttle, etc., which exceed \$3.50 must be supported by receipt. Parking in excess of \$10.00 must be supported by receipt.

5. Participating Staff (*RH 4500*)

The term “participating staff” refers to salaried employees of a participating agency assigned to work with the recipient on the implementation of a project. The agreement between the recipient and the participating agency concerning participating staff must be reflected in the OA. Grant related costs associated with participating staff must be itemized in the Operating Expenses category of the grant budget.

6. Independent Contractor/Consultant Services (*RH 3710*)

Consultant services are provided on a contractual basis by individuals or organizations not directly employed by the applicant. Independent contractors must not be used in lieu of employees. Independent contractors are defined as individuals or organizations meeting some or all of the following criteria:

- produce a specific product or service;
- work independently without direct supervision from the applicant;
- work on specific projects;
- provide services for a limited number of hours or period of time; and/or
- have no agency management or oversight responsibilities directed toward the financial success or direction of the agency

a. Rates (3710.1)

The maximum rate for independent contractors is \$250.00 per hour (excluding travel and subsistence costs). Compensation over \$250.00 per hour requires additional justification and **prior approval** from Cal EMA.

1) Independent Contractors Employed by State and Local Government

Compensation for independent contractors will be allowed when the unit of government will not provide its services without cost. In these cases, the rate of compensation is not to exceed the daily salary rate paid by the unit of government.

7. Facility Rental (*RH 2232*)

Up to \$21.00 per square foot annually (\$1.75 per square foot per month) is allowed for facility rental. If the rental cost for office space exceeds this rate, it must be consistent with the prevailing

rate in the local area. This documentation must be on file and available for audit and should not be submitted with the application.

a. Rental Space for Training and Counseling Rooms (*RH 2232.1*)

Rental space for training and individual and/or group counseling rooms may also be charged to the grant, providing the charge is based on actual costs and not reimbursed by another source.

8. Rented or Leased Equipment (*RH 2233*)

An explanation and cost analysis is required when equipment is rented or leased. This analysis must demonstrate that it is more cost-effective to rent or lease the equipment than it is to purchase it, and must be approved by Cal EMA prior to the execution of a rental or lease agreement.

9. Audits (*RH 8150*)

Recipients expending between \$25,000 and \$499,999 in federal or state funds annually cannot use federal funds to reimburse for costs associated with audits. Recipients expending \$500,000 or more in federal grant funds annually are required to secure an audit pursuant to OMB Circular A-133 and are allowed to utilize federal grant funds to budget for the audit costs.

Specifically, the allowable audit costs are as follows:

- if the total project cost is less than or equal to \$150,000, the project may budget up to \$2,000 for the financial audit cost; or
- if the total project cost is greater than \$150,000, the project may budget up to one and a half percent (1.5%) of the total project cost for financial audit costs.

10. Equipment (*RH 2300*)

Equipment is defined as nonexpendable tangible personal property having a useful life of more than one year and an acquisition cost of \$5,000 or more per unit (including tax, installation and freight).

A line item is required for different types of equipment, but not for each specific piece of equipment (e.g., three laser jet printers should be one line item, not three).

a. Allowable Expenses

Equipment used solely for project activities may be budgeted if it is essential to the implementation of the project. Grant funds may not be used to reimburse the recipient for equipment already purchased.

Rented or leased equipment must be budgeted as an Operating Expense. Lease-to-purchase agreements are generally not allowable. If a lease-to-purchase is requested, the project will be required to submit justification, including cost-effectiveness, with the Grant Award Forms Package. Prior approval by Cal EMA is required.

b. Computers and Automated Equipment (*RH 2340*)

1) Community-Based Organizations (*RH 2342.1*)

Community-based organizations may budget up to \$25,000 in computer equipment, software, and related costs. Justification will be required if the proposal is selected for

funding. Cal EMA will evaluate the proposed purchase on the basis of grant-related need. Prior approval by Cal EMA is required.

2) Units of Government (*RH 2342.2*)

Units of government may budget for computer equipment, software, and related costs. Justification will be required if the proposal is selected for funding. Cal EMA will evaluate the proposed purchase on the basis of grant-related need. Cal EMA must give approval prior to purchase. If federal grant funds totaling in excess of \$100,000 are used for automated data processing purchases, prior federal approval is also required.

3) Computer Purchase Justification (*RH 2341*)

Approval for purchases of computers and automated equipment is contingent on the applicant's ability to demonstrate cost-effective, project-related need which is best demonstrated by clearly relating each computer system or component to the grant objectives and activities. If selected for funding, the applicant will be sent instructions for preparing the justification.

11. Prohibited Expense Items (*RH 2240*)

a. Bonuses and Commissions (*RH 2241*)

Projects are prohibited from paying any bonus or commission to any individual, organization or firm unless specifically authorized by the terms of the program

Real property, including land, land improvements, structures and their attachments, and structural improvements and alterations are not allowable expenditures unless specifically authorized in the RFA instructions.

e. Interest (*RH 2245*)

f. Charges, Fees, and Penalties (*RH 2245*)

Finance charges, late payment fees, penalties, and returned check charges are not allowable expenditures.

g. Food and Beverages (*RH 2246*)

The cost of food and/or beverages at grant-sponsored conferences, meetings or office functions is not an allowable expenditure.

h. Weapons and Ammunition (*RH 2247*)

The cost of weapons and/or ammunition of any type is not an allowable expenditure, unless it is part of a governmental negotiated benefit package or is specifically authorized in the RFA instructions.

i. Membership Dues (*RH 2248*)

The cost of membership dues for the licensing or credentialing of professional personnel is not an allowable expenditure unless it is part of a governmental negotiated benefit package or is specifically authorized in the RFA instructions.

j. Professional License (*RH 2248*)

The cost of a professional license is not an allowable expenditure unless specifically authorized in the RFA instructions.

k. Annual Professional Dues or Fees (*RH 2248*)

The cost of professional dues or fees is not an allowable expenditure unless it is part of a governmental negotiated benefit package or is specifically authorized by the RFA instructions.
